RE: **Eighth Annual KBRC Freedom Shoot 2017**

The Kansas Black Republican Council believes in the public celebration and demonstration of our Constitutional rights essential to maintaining the freedoms God has granted us. The Freedom Shoot is being held in honor of the 2nd Amendment of the United States Constitution that protects the right to keep and bear arms. It was adopted on December 15, 1791. We also take this opportunity to celebrate two Supreme Court rulings, *District of Columbia v. Heller* (2008) and *McDonald v. Chicago* (2010), which clarified the meaning of the Second Amendment.

In *Heller*, the Court ruled that the Second Amendment protects an individual's right to possess a firearm and to use that arm for traditionally lawful purposes, such as self-defense within the home. Additionally, the Court enumerated in *McDonald*, that the Second Amendment limits state and local governmental authority to the same extent that it limits federal authority. We also take note of the strong legislative action taken by our Kansas legislature this session.

The Freedom Shoot will be held on Saturday, September 16th, 2017, at the Ravenwood Lodge, 10147 SW 61st St., Topeka, Kansas, from 9:00 a.m. to 12:30 p.m.

We expect to see our long time Congressional supporters: Senators Pat Roberts and Jerry Moran; and Congress Members: Lynn Jenkins, Kevin Yoder and Ron Estes to join us again for this year's celebration. Our invited celebrity shooters this year are Lt. Governor Jeff Colyer, M.D., KS State Treasurer Jake LA Turner, KS Secretary of State Kris Kobach, KS Insurance & Securities Commission Ken Selzer, and Bob & JB Hodgdon of the Hodgdon Powder Co., along with all our friends and supporters of the 2nd Amendment. We have also extended a special invitation to all the Kansas legislators who have done and outstanding job of defending the 2nd Amendment in the KS legislature this year.

Thanking you in advance, and we look forward to seeing you soon.
